## **MEDIA STATEMENT**

**30 July 2019**

### **Statement on the hospitalization of Deputy Minister for Agriculture, Land Reform and Rural Development S'dumo Dlamini**

The Ministry and the Department of Agriculture, Land Reform and Rural Development would like to inform the public and all our stakeholders that Deputy Minister S'dumo Dlamini is currently on sick leave after he was admitted in hospital for a severe headache.

In consultation with the family and the visits we have had we are pleased to inform you that he is recuperating very well, hence he tendered his apologies to the relevant authorities on all official engagements.

The family and his doctors request privacy while they are attending to him.
